Northeast Mississippi, hill country, rugged and notorious for outlaws since the Civil War, where killings are as commonplace as in the Old West. To Quinn Colson, it's home -- but not the home he left when he went to Afghanistan.

Now an Army Ranger, he returns to a place overrun by corruption, and finds his uncle, the county sheriff, dead -- a suicide, he's told, but others whisper murder. In the days that follow, it will be up to Colson to discover the truth, not only about his uncle, but about his family, his friends, his town, and not least about himself. And once the truth is discovered, there is no turning back.
