An explosive thriller debut introducing Peter Ash, a veteran who finds that the demons of war aren't easily left behind ...

Peter Ash came home from the wars in Iraq and Afghanistan with only one souvenir: what he calls his "white static," the buzzing claustrophobia due to post-traumatic stress that has driven him to spend a year roaming in nature, sleeping under the stars. But when a friend from the Marines commits suicide, Ash returns to civilization to help the man's widow with some home repairs. Under her dilapidated porch, he finds more than he bargained for: the largest, ugliest, meanest dog he's ever encountered ... and a Samsonite suitcase stuffed with cash and explosives.

As Ash begins to investigate this unexpected discovery, he finds himself at the center of a plot that is far larger than he could have imagined ... and it may lead straight back to the world he thought he'd left for good. Suspenseful and thrilling, and featuring a compelling new hero, The Drifter is an exciting debut from a fresh voice in crime fiction.
