We do not have responsibility with content of this book.

Folks in the Texas panhandle do not like hog farms. But Bob Dollar is determined to see his new job as hog site scout for Global Pork Rind through to the end. However he is forced to face the idiosyncratic inhabitants of Woolybucket and to question his own notions of loyalty and home.

A brilliant novel from Pulitzer Prize-winning Annie Proulx, author of *The Shipping News* and *Brokeback Mountain*. *That Old Ace in the Hole* is a richly textured story of one man's struggle to make good in the inhospitable ranch country of the Texas panhandle, told with razor-sharp wit and a masterly sense of place.
