Willa Drake can count on one hand the defining moments of her life: when she was eleven and her mother disappeared, being proposed to at twenty-one, the accident that would make her a widow at forty-one. At each of these moments, Willa ended up on a path laid out for her by others.

So when she receives a phone call telling her that her son's ex-girlfriend has been shot and needs her help, she drops everything and flies across the country. The spur-of-the-moment decision to look after this woman and her nine-year-old daughter, and her dog will lead Willa into uncharted territory. Surrounded by new and surprising neighbours, she is plunged into the rituals that make a community and takes pleasure in the most unexpected things.

A bittersweet novel of hope and regret, fulfillment and renewal, Clock Dance brings us the everyday life of a woman who decides it's never too late to change direction, and choose your own path.
